HE did. I had an admin support (START) scan ones I have - most all filled) She went to lunch. When she gets back, I'll get the .pdf and send them to you.

Thanks,

Derek

OK - just wanted to make sure we had not missed it. Is there a reason why Austin is not preparing this 213? He is the requestor and he should be preparing the 213 and having John sign off etc. and then turning it in to you. You should not be spending your time preparing 213's for people. Don't get yourself and them in that habit - they need to do, obtain all the proper signatures and then provide to you etc. Let me know if there is a problem with the way this needs to work.

Sending this in advance. Austin Vela wants an assistant PIO for here (Alpha) asap. Will scan and send 213RR shortly.

Thanks,

Derek
